Daily pill to block cortisol offers hope for older people with dementia

GlobeAlert Desk · curated from Sydney Morning Herald · Australia · global

A daily drug for Alzheimer's did not benefit everyone in a pivotal clinical trial. But it was a different story for older patients.

Ask the Analyst about this

GlobeAlert aggregates and classifies open sources; the story above belongs to its publisher. Summaries are machine-generated from the source text. How we score stories.

GLOBEALERT CONTEXT

What the desk knows about this story

THREAT LEVEL

1 Low

Scored from severity, scale, escalation potential and source agreement. Below the alert threshold.

SOURCES

1 publisher

Single-source so far. Treat details as unconfirmed until more publishers report.
